

REMARKS

Applicant appreciates the time taken by the Examiner to review the present Amendment. Claims 11 and 12 depend from claim 10 which depends from claim 9 which recites "at least one user." Claim 11 is amended herein to further particularly point out that the indicator comprises a MAC address associated with the at least one user. Claim 12 is amended herein to further particularly point out that the indicator comprises an IP address associated with the at least one user. Claims 29-30 and 47-48 are similarly amended herein. Claim 46 is amended herein to find proper antecedent basis from claim 45.

Applicant believes that the amendments to claims 11-12, 29-30, and 46-48 presented herein do not introduce new matter, do not raise new issues, do not affect the merits of the application, and are proper under 37 CFR 1.312. Accordingly, Applicant respectfully requests entry of this Amendment.

The Commissioner is hereby authorized to charge any deficiencies from or credit any overpayment to Deposit Account No. 50-3183.

Respectfully submitted,
